

ECOCLEAN

Product Code : Q00043

Product Group: WATER BASED DEGREASERS & TANK CLEANERS

Packaging: 25L

PRODUCT DESCRIPTION

ECOCLEAN is a multi purpose heavy duty alkaline, water based, environmentally friendly, biodegradable, cleaner degreaser. Suitable for use on all metals and coatings. Non toxic, non flammable and safe to use. Compatible with oil/water separators.

PRODUCT USES

ECOCLEAN can be used for many different purposes in different rates of dilution. It has many general cleaning and degreasing applications such as grease removal, oil, sludge, carbon deposits, general dirt, vegetable and animal oils.

Also can be used as a filter cleaner, deck cleaner and engine room cleaner. After its use it de-emulsifies in the bilges or sloptanks. Suitable for use with oil/water separators.

APPLICATION & DOSAGE

ECOCLEAN as a general cleaner – degreaser can be used neat or diluted from 1 – 20 parts of water according to the type and amount of soil. After the use bilge slops must be allowed to separate for at least 3 hours before being treated in oil water separator.

ECOCLEAN as cargo tank cleaner:

- a) With tank washing machines the dosage rate is between 0.5 – 1%.
- b) By recirculation method a solution of between 3 – 4% should clean up to 3 – 4 tanks depending on the contamination.
- c) Spot cleaning ECOCLEAN can be used by hand spraying neat or diluted from 1 – 5 parts water. Use the solution onto surface for cleaning up to 20 – 30 minutes.

For best cleaning results use heated water between 40 °C - 50 °C.

The above proportions are indicative and can change depending to the type of the soil and the temperature of the solution.

APPROVAL

ECOCLEAN is approved by the Greek Chemical State Laboratory with approval No. 16113/0/2012

BENEFITS

- **Non-flammable.**
- **Safe on all metals and alloys, including aluminium.**
- **Multipurpose cleaning.**
- **Effective on a broad range of soils.**
- **Biodegradable.**
- **Leaves no oily film.**
- **Very economical.**

HEALTH SAFETY

Please refer to the Material Safety Data Sheet and Product Label for specific information.
