

HADISON

Product Code : Q00065
Product Group: HAND CLEANERS
Packaging: 4 L

PRODUCT DESCRIPTION

HADISON is a perfumed paste with lanolin containing natural ingredients and thin sand grains, specially formulated for hand cleaning from difficult soils such as oil, grease, light carbon, light paint etc..

APPLICATION & DOSAGE

The removal of industrial grime, oil and grease from the hands and other parts of the body.

Apply a small amount in your hands and rub briskly.

When the soil is loosened simply rinse with water and/or take a dry cloth or paper towel and wipe hands clean.

Approvals

HADISON is approved according to the Greek legislation by the State General Chemical Laboratory as a hand cleaner with registration no. 542/86.

BENEFITS

- **Effective and suitable for the most severe soiling. Due to its mildness can be used safely day after day.**
- **Works effectively in hot, cold, hard or soft waters.**
- **Pleasant perfume.**
- **Antiseptic properties.**
- **Protects: Contains lanolin and emollient to promote good skin condition.**
- **Contains natural ingredients and thin sand grains, which act like a light scrubbing brush to aid the cleaning action.**

HEALTH SAFETY

Please refer to the Material Safety Data Sheet and Product Label for specific information.
